

## **Prop hire (only) – Special Conditions**

### **General terms and conditions**

1. These Special Conditions apply in addition to TCNZ's Terms and Conditions of Trade (found at [www.towercranesnz.com](http://www.towercranesnz.com)). The Special Conditions and Terms and Conditions of Trade shall be taken as mutually explanatory, but in the case of ambiguity or conflict the Special Conditions prevail.
2. Words and phrases with capital initial letters that are not otherwise defined in these Special Conditions have the meaning set out in the Terms and Conditions of Trade.

### **Prop hire**

3. All propped panels must have a minimum of 2 props each unless otherwise specified by an engineer or propping specialist.
4. All props are subject to availability, and TCNZ will not be liable for any delays, including any Losses arising, from the unavailability of props.
5. All props have a minimum 7 day hire period.
6. The Customer is responsible, at its cost, for:
  - (a) benching in or pinning deadmen;
  - (b) any necessary on-Site relocation of props and/or deadmen for subsequent erection periods; and
  - (c) unless otherwise expressly agreed, removal of the props.
7. The props once removed must be placed by the Customer in a suitable location and on dunnage/timber to allow a Hiab to collect.
8. Subject to clause 5, and the Customer's compliance with clause 7, "On Hire" of all props will commence on the first day of panel erection, and will be deemed "Off Hire" from the day of removal from the panels. For the avoidance of doubt, any props not accessible for pick up by a Hiab will be deemed as being "On Hire".
9. The Customer will indemnify TCNZ for any damage to props caused by an act or omission of the Customer (or the act or omission of a person or entity for whom/which, as between the Customer and TCNZ, the Customer is responsible) and any Loss arising.
10. TCNZ has no liability for any variations or amendments to a propping plan made at the direction of the Customer (or any person or entity for whom/which the Customer is as between Customer and TCNZ responsible) whether prior to, or during, the erection process.

### **Fees**

11. Without limitation, the following will be charged as additional costs on an hourly rate:
  - (a) delivery / pick up of extra equipment; and
  - (b) set up / packing of additional craneage or lifting equipment.
